

To whom it may concern:

This letter serves to recommend Mike Argo for employment. Mike worked in our Information Systems group for 7 years at the County of Humboldt Department of Health and Human Services. Our organization includes over 40 networked sites, 950 users, server centers, numerous state and federal systems, hosting centers for eHR, Accounting, Analysis and miscellaneous data systems. Our teams support an array of government departments and agencies and high an expectation of confidentiality and security. Mike was one of our key technicians and problem solvers. Mike has a high-level of skill and passion for security and anything technical. Key qualities include dependable team member, key support person for both users and Information system staff. Mike on a daily basis worked with end users and managers across our organization supporting whatever was needed. Mike frequently supported his job duties with research leveraging WEB based technical resources and to solve impossible issues. Key skills include great customer service and ability to work with technical staff, vendors, users and management. Mike loves a challenge, dives in and gets results. I would highly recommend Mike as a great addition to your organization.

Thank you
